To SCA Parents:

We are happy to begin Preferred Registration (our Loyalty Program) Monday, March 4, for all presently enrolled students, PK2-11<sup>th</sup> grade.

**ACADEMY FAMILIES, PK4-11<sup>TH</sup> GRADE:** If you have a child entering K-12<sup>th</sup> grade next year and you register during these 2 weeks, your registration fee will be \$150 instead of \$250. After March 15, registration is \$250, the “new student” price. Those students who qualify for **The LEARNS Act Program** will also submit \$150 to hold their position, but it will be credited after the first withdrawal from LEARNS when school starts.

**Below are the qualifications for the LEARNS Program** this coming year: 1st time Kindergartners who will be 5 by August 1, students enrolled in “D” or “F” public schools, 2023-24 Succeed Scholarship students, homeless families, foster care children, IDEA students, active-duty military families, first responders or law enforcement families. Then in 2025-2026, ALL students will qualify. Our website [www.swchristian.com](http://www.swchristian.com) has a link for more information on the Learns Program.

**PRESCHOOL FAMILIES:** If your child is currently in SCA’s PK2-PK3 preschool program, your yearly enrollment fee is \$50 during the 2 weeks of preferred registration and \$100 after that period ends, March 16.

Open enrollment for new families in all grades begins March 18, so please take advantage of this preferred registration period to secure your place for next year. We are expecting to fill all positions.
